I'll never forget:

This building, Physics, Chemistry, Kendra, or the tournaments that we've been on, Mr. O'Neil, La Shell or Kiyoka, school lunch, gym at the "Y", freshman year, the "After Hours Club" (you know who you are), the 4th floor and the Friday Crew.

Endless possibilities,

Dana

P.S. To Tori, I know we'll never forget all that went into making this yearbook.

To the Class of 1989,

My best years in H.S. were spent with this class. We lost a few along the way, but we still survived. Good Luck to all of you in whatever you do.

Michele Wilson

Michele,

We've had some tough roads to overcome in our H.S. days, but we made it! Always remember the sky's the limit. Good luck and I love you.

Your Sister,
Nichele

Michele,

I've known you for 7 yrs. and I never thought we would see each other graduate in 1989. The best of luck to you always.

Your Friend,
Kisha W.

To Michele,

A good friend who's been there for 4 years. I wish you all the luck in the future, I'll miss you.

Love Ya,
Laurie E.

Michele,

We are extremely proud of you. Remember it's not always the choices you make in life, but how you experience the results. It's the extra things that make it worthwhile.

We love you,
Earl, Laverne, William,
Jenelle and Wesley

Michele B.K.A. Sis,

Thanks for your laugh and advice. Remember best friends are forever and I'll always be there for you.

I Love You,
Rob

Michele, Michele so true. You knocked out grammar school and now H.S. Go to college and work that out too. In a few words, I'm proud of you!

Your God-mother,
Saundra

Michele Tamita,

Always put God first! You came this far and I know it wasn't easy. Always remember "Knowledge is the prime need." Get a good education and believe in yourself. Have a goal, dream, ideal, star, aim high, you can do it (whatever). Lots of luck Baby.

Love You,
Mama

Michele,

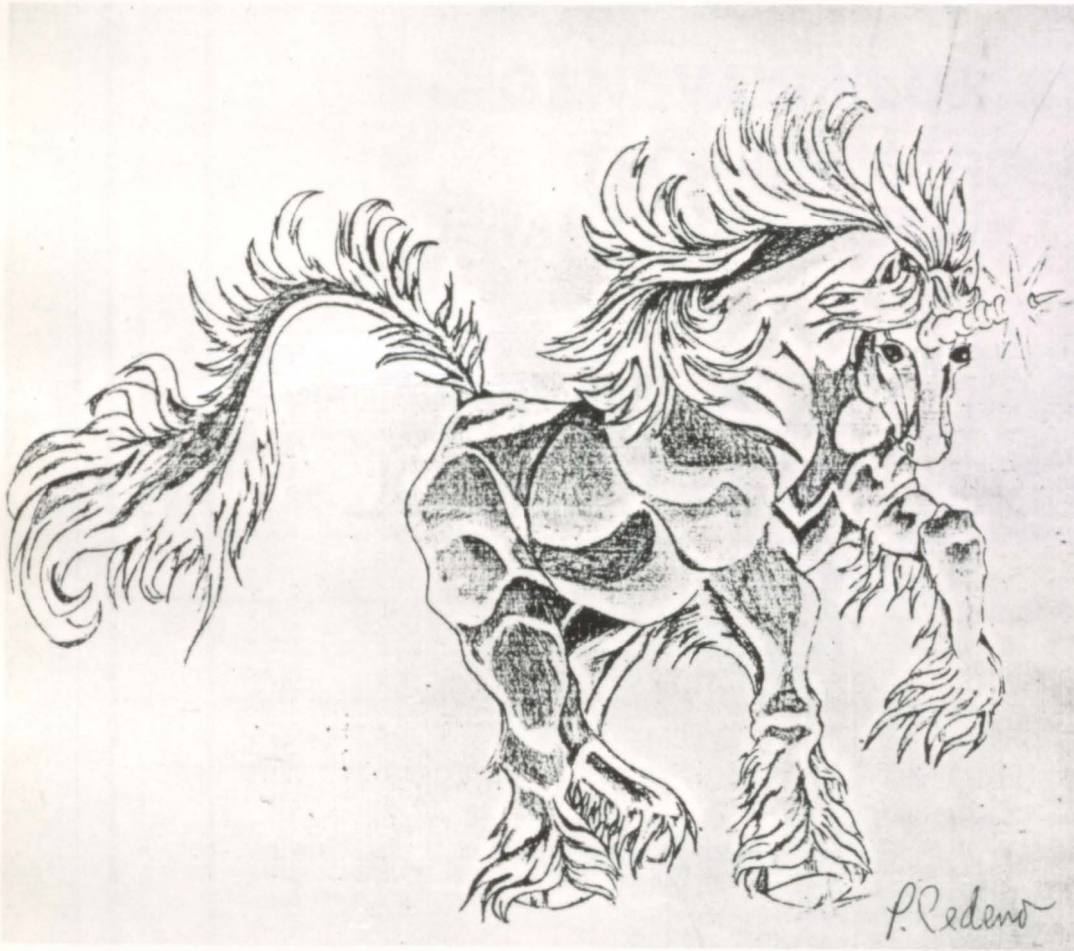

These last 4 yrs. have been great, we've had our problems but somehow things always worked out. There's only one thing: I have to deal with you for the rest of my life. Oh, I forgot to say I Love You.

Your "Brother,"
Nate
